which purify the blood and remove all corrupt and vitiated humors, and unhealthy accumulations from the body in a manner never before rivalled, and which yet produce no weakness or lassitude whatever; but on the contrary, tone the stomach and invigorate the constitution during the promost desirable qualities, evacuation and invigorapurgative and a purifying tonic. The two principal ingredients in Dr. Le Roy's pills are

WILD CHERRY AND SARSAPARILLA

so prepared that each promotes the beneficial effect of the other, the former strengthening, while the recommended: latter, through its union with various vegetable ingredients, evacuates and purifies; thus they superinduce no torpidity or lassitude of the digestive functions. & hence their operations are attended by no reaction, or subsequent costiveness.

Dr. Le Roy's pills are the most active and searching medicine in existence. They at once attack the very root of diseases, and their action is so prompt, that in an hour or two after they are taken, the patient is aware of their good effects. They not only operate on the blood, but also on the chyle of which the blood is formed, and this secures good blood from the fountain head; moreover they produce neither nausea, griping or debiity, and as a family medicine they have no rival. Put up for the public with full directions by
